

Dear Baldwin Borough Resident,

Your community provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

REGULAR CURBSIDE COLLECTION: Trash will be collected once every week. Recycling will be collected every other week. Your collection day will remain the same in 2021. Please see the calendar to identify your recycling collection week. Place material at the curb after 6 p.m. on the prior day or before 6 a.m. on your scheduled collection day.

SERVICE INQUIRES: Residents should contact Waste Management to report a missed pick up. A representative can be reached at 1-800-866-4460 or through live chat or email at www.wm.com. In the event of inclement weather, visit www.wm.com/alerts for service updates, delays and cancellations.

HOLIDAY SERVICE: Please reference the calendar for observed holidays.

GUIDELINES FOR COLLECTION:

- Garbage should be properly secured in containers (40 gallons or less) or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/cans and 2 bulk items per week.
- Grass clippings and weeds should be in plastic bags.
- Furniture items, appliances, household goods and disassembled children's swing sets (cut to 4-foot length) will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.
- Empty paint cans and dried paint are acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.

EXCLUDED ITEMS:

- Building material may be picked up for a fee by contacting Waste Management at 800-866-4460
- Hazardous Household Waste and Electronic Waste (including paint, thinners, cleaners, pesticides/herbicides, etc.) - see At Your Door Special Collection Program
- Automobile parts including wheel rims and tires
- Trees, branches and bushes
- Ashes from furnaces and fireplaces
- Stones and dirt

Baldwin Borough 2021 Collection Schedule

Recycling will be collected bi-weekly. Please see below for your recycling service schedule. Recyclables must be clearly marked as recycling. Please do not bag recyclables.

Recycle Week Holiday

RECYCLE OFTEN.
RECYCLE RIGHT.™

Recycling Program Changes

Due to global changes in the recycling industry, Waste Management is asking your community to help combat recycling contamination. You will experience some changes in your curbside recycling collection program. For programs to be successful, all participants must make an effort to change recycling habits.

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic shape must go in the trash.
- **Glass is no longer accepted for recycling.** Glass runs hard on our machines and can contaminate other good recyclables.
- Containers that held food should be rinsed free of food debris and liquid. Shredded paper is no longer accepted.

APPLIANCES CONTAINING REFRIGERANT: The contractor will collect such items as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, etc.; however, the item must have a sticker certifying that the refrigerant has been removed. If it does not have the sticker, it will not be picked up. It is unlawful for the contractor to dispose of these items containing refrigerant. When purchasing a new appliance, have the store dispose of the old appliance to save the cost of having the refrigerant removed.

AUTOMATED RECYCLING SERVICE: Residents will receive every other week curbside recycling collection. Please reference the calendar to identify your service week. Recyclables will be collected using automated collection trucks. Residents should use their provided recycling carts and recyclables must be placed loose in the cart. **Material outside of the cart will not be collected.** Carts must be placed three feet away from all objects, including your second cart, mailbox, car or trees. The lid opening should face the street with the wheels of the cart facing your house.

2021 Recycling Program Information

Waste Management is asking your community to help combat recycling contamination. For programs to be successful, all participants must make an effort to practice good recycling habits.

- **No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.**
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic shape must go in the trash.
- Glass is no longer accepted for curbside recycling – talk to your municipality about local drop off programs.
- Containers that held food should be rinsed free of food debris and liquid.
- Shredded paper is not accepted.

Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin.

Please follow the Recycling Guidelines.

BATTLE AGAINST CONTAMINATION: Waste Management can leave contaminated recycling at the curb. Residents will receive a tag on their recycle bin explaining the item(s) that do not belong and further instructions. **Please make sure you are recycling right!**

RECYCLE RIGHT

✓ ALWAYS RECYCLE

Plastic Bottles, Jars & Jugs (labeled #1 and #2)

Food & Beverage Cans Steel, tin & aluminum soda, vegetable, fruit & tuna cans

Paper
Brown paper bags, non confidential office paper, newspaper, magazines

Flattened Cardboard & Paperboard

✗ DO NOT INCLUDE IN YOUR MIXED RECYCLING CONTAINER

NO Food or Liquids

NO Foam Cups & Containers

NO Loose Plastic Bags, Bagged Recyclables or Film

Empty recyclables directly into your bin.

NO Glass Bottles & Containers

NO Clothing, Furniture & Carpet

NO Green Waste

NO Batteries – check local programs for proper disposal

Attention Residents of Baldwin Borough, Pennsylvania

Home Collection Program for Household Hazardous Waste (HHW) and E-Waste

As part of the residential solid waste contract with Waste Management, effective immediately, you have a convenient new opportunity to dispose of your household hazardous waste (HHW) - safely, easily and responsibly. Introducing the At Your Door Special Collection Program, a residential service offered by Waste Management to provide year-round collections for you.

HOW DOES IT WORK?

1. To Participate, you must set up a collection appointment.

There are two ways to schedule a collection:

- Go to www.WMAtYourDoor.com
- Call 1-800-449-7587 (Monday-Friday 8:00am-8:00pm Eastern Time)

Our representatives will guide you through the steps toward a safe and successful collection. You will be asked several questions, including your address and the type and amount of HHW available for the pick up. You will be provided a convenient collection date and information about where to place the containment bag for collection. A kit will be sent to your home in plenty of time for you to gather and pack your HHW.

2. Preparing for collection

The collection kit includes an instruction sheet and other items to help pack and secure your household hazardous waste (HHW). Please read and follow the instruction sheet included in the kit.

3. HHW is collected

On the scheduled date, the customer service technician will collect HHW directly from your home. They will sort and pack the HHW for proper transportation, recycling and disposal. Participants will receive a postage-paid survey card to complete and mail back to help track the program.

4. You have more HHW than will fit into the Kit?

Remember, this service is available year-round. Just schedule another collection! Small quantities may be combined with your neighbors. Representatives are available from Monday - Friday 8:00 AM - 8:00 PM ET. Leave a message after hours, weekends and holidays. Email us at: AtYourDoor@WM.com

Managing Household Hazardous Waste: The best method of managing Household Hazardous Waste (HHW) is to prevent its generation in the first place. This involves selecting the least toxic item "to do the job" and buying only the minimum amounts necessary. Buying in large quantities is not a bargain if half of it has to be discarded. In the future, please consider buying environmentally friendly products.

Did You Know?

Latex paint is not a hazardous waste. It can often be donated to community groups and other organizations for re-use. Please consider this option before disposal.

Used motor oil is not hazardous, but may pollute our groundwater, waterways and soil if not properly managed. Many automotive stations, auto parts and supply stores will accept used motor oil for recycling.

Automotive batteries may be exchanged at the place of purchase. Many battery retailers offer recycling even if you are not purchasing a new battery. In some cases, there may be a charge. Some scrap yards will also purchase lead acid batteries.

For more information on HHW, visit DEP at www.dep.pa.gov or at www.pa.gov

THINK GREEN®

This chart shows the typical HHW we collect that must be placed inside the Kit for collection. And, the chart shows the HHW that may be placed outside the Kit.

Examples of Acceptable HHW that MUST be placed <u>inside</u> the Kit Bag					Unacceptable Waste	
Automotive Products Antifreeze Brake Fluid Cleaner Hydraulic Fluid Transmission fluid Motor Oil Oil filter Polish Wax Gasoline Diesel fuel	Paint Products Latex Oil-based Thinners Artist's paint Spray paint Stain Sealer Caulk Mercury Thermostats Thermometers Switches	Household Cleaners Ammonia Cleaning Compounds Floor Stripper Drain Cleaner Tile/shower cleaner Rust Remover	Flammable & Combustible Products Kerosene Solvent Certain cleaners Swimming Pool Chemicals Pool Acid Chlorine: tablets, liquid	Garden Chemicals Insect Sprays Weed Killers Herbicide Fertilizer Pesticides Misc. Household Batteries Hobby Glue	Waste improperly packaged for transportation	All medicines
					Biological waste	Empty containers
					Construction waste	Asbestos
					Smoke detectors	Tires
					Unknown waste	Radioactive waste
Pressurized cylinders	Fire extinguishers					
Ammunition	Explosives					
Leaking containers	Unlabeled containers					
Waste in containers over 5 gallons	Business supplies from homes					
Commercial products	Trash, including bulky wastes					
E-cigarettes						
Acceptable HHW for <u>Outside</u> the Kit Bag						
Vehicle Batteries Up to 4	Fluorescent Tubes and CFL's Up to 5 (placed inside their original sheaths or taped together)	Televisions Up to 1	One Computer System: 1 each- CPU/tower Monitor Keyboard Mouse Desktop printer	Electronics (with circuit Boards): CD Rom, VCR, cell phones, DVD/CD/tape player, Related Cords Up to 25 lbs.		

HHW THAT WILL NOT BE COLLECTED: We do not collect any HHW in unlabeled or leaking containers. If you have questions about proper disposal methods for un-acceptable waste, commercial chemicals or household hazardous waste in containers larger than five gallons in size, please contact the Operations Service Center (800) 449-7587.
